

# global CONNECTIONS

***Empowering Chambers. Expanding Business. Growing Global.***

## ABOUT US

### **Global Connections partners with chambers of commerce to turn global opportunity into local success.**

We help chambers deliver high-impact international trade programs that empower members to expand into new markets, drive revenue growth, and build lasting global partnerships.

Our model strengthens your chamber's reach, relevance, and revenue — while requiring minimal time or resources from your team.

It's global growth, built for local impact.

### **Enter the **global** stage.**

We provide customizable programming designed to elevate and educate your members. Including:

- Export Readiness Workshops
- Member Only Trade Missions
- One-on-One Global Advising
- Customized Industry Guidance
- AI-Powered Outreach Support

### **Elevate your **chamber**.**

Our partnership provides:

- Tangible business wins for your members
- Revenue sharing opportunities
- Co-branded programming and marketing
- Scalable services without added staffing
